### Half Term Holiday and Fun Club

The February half term holiday is 1 week Monday 16<sup>th</sup> February to Friday 20<sup>th</sup> February, if your child has 15 hours free education then they will be on holiday for 1 week.

If they have 12 hours they will do their usual days and times.

We do have a fun club in all the school holidays for children aged 3 years to 11 years, if you would like your child to attend in the holidays it is from 10am to 3 pm and only £6 per day and bring your own packed lunch.

### Outdoor Clothing

Please can you make sure that the children come dressed for the day's weather, we go outdoors every day and in all-weather conditions, so please can they have a winter coat, hat and gloves and bring in their own wellies.

We use the outdoor areas every day as a part of the children's learning and it is important that all children are dressed suitably for the weather; there is no such thing as bad weather only bad clothing.

### Forest School

On Wednesdays a group of children from the preschool room will be able to experience Forest Schools with Rachel, Asma and Kim. We go to a woodland area near to Trentham and do many exciting things such as tree climbing and camp fires and lots of exploring.

### Children's attendance

It is very important that your child comes to nursery on time and comes on the days agreed to help your child learn. If your child has the free funded hours your child must come to nursery unless they are really poorly, if they have a cold or a runny nose they can still come to nursery. If they have been vomiting (being sick) or have diarrhoea they must stay at home for 48 hours.

If your child is not coming to nursery or are going to be late, you must ring 769591 and tell the staff.

There are many more exciting thing planned for the second half of the term so watch this space!!
