WELL DONE!!!! Well done!

A massive THANK YOU and CONGRATUALTIONS to all those who supported our fundraising events for the Nepal Earthquake Appeal we have raised £1035.00 this is an amazing amount of money and we can help so many people effected in Nepal

Outdoor learning

Please can you make sure that the children come dressed for the day's weather, we go outdoors every day and in all-weather conditions, so please can they have a hat and bottle of sun cream labelled with their name to be left at nursery as the sun is getting strong and it is important that ALL children are protected from the sun rays and we WILL be outside every day.

We use the outdoor areas every day as a part of the children's learning and it is important that all children are dressed suitably for the weather.

Parent meetings

Baby room, Toddler room and Pre-school will be holding parent meetings during the summer term, where you can talk about your child with their keyworker and look at your child's personal development file. Please book your appointment time with the room staff it is very important that you attend. Each room will send out letters to inform you of dates.

Children's attendance

It is very important that your child comes to nursery on time and comes on the days agreed to help your child learn. If your child has the free funded hours your child must come to nursery unless they are really poorly, if they have a cold or a runny nose they can still come to nursery. If they have been vomiting (being sick) or have diarrhoea they must stay at home for 48 hours.

It is very important this summer term especially if your child may be going to school in September that you bring your child on time and collect on time to get them ready for school.

If your child is not coming to nursery or are going to be late, you must ring 769591 and tell the staff.

If your child is going to school this September please can you let me know what school they will be going to when you have had your school place confirmed.

Also each family will be given a questionnaire before their child leaves please fill it in and return to your child's room, it is important to us that we gather your opinions and feedback on your and your child's views of Thomas Boughey Kindergarten.

End of term Reports

All children will receive their end of term reports by July 2015, please can you read them and return the reply slip. If you want to talk to the staff members about your child's report, just speak to the staff in the room.
